In 2015 Cal Club only ran the SoPac Divisional Championship, but many drivers wondered what happened to the Cal Club Championship? We admit we goofed and we are bringing it back for 2016! **This will be the championship to win for a year end trophy.** The SoPac Divisional will be the Qualification path to the runoffs but no trophies will be given. So that being said let's gear up and win the 2016 Cal Club Championship. Here is how to do it!!!!
