

Cal Club Annual Number Policy

Licensed Cal Club drivers and Associate Member drivers can have a annual number. **The annual number will stay with that driver in his/her class for as long as the driver enters at least two Cal Club races per season.** Assigned annual numbers can only be released by the owner of the number unless it is considered abandoned.

An Annual number is considered abandoned if a driver has not met the two race requirements for the year and has not submitted a request form by December 31, 2021
