

BRaille RALLYE 2006

Saturday, July 8

It's hard to believe that another year has passed and it is again time for the Braille Rallye! For those who have participated in the past, it is an opportunity to renew friendships and rivalries. For those of you who are joining us for the first time, welcome! We hope you become a regular.

The Braille Rallye was begun over 30 years ago as an incentive for visually challenged students to study and to grow confident in reading Braille. Each student must qualify by meeting established reading goals before they can compete as a navigator.

Up to 60 student navigators from Braille Institute Youth Centers all over Southern California compete in a standard sports car rally, teaming with drivers from sports car clubs, law enforcement, media, and just regular folks.

The actual rally is very straightforward. The driver/navigator team must get from checkpoint to checkpoint at the proper speed to attain the correct elapsed time. The directions are written in Braille or large print and are given to the driver by the navigator. You, the driver, have no idea where you are going; the challenge is for your navigator to read the instructions properly and to communicate those instructions clearly to you. These students, like any other California teenager, would like the independence of driving their own car. That cannot happen, but in this event, they are more than just a passenger. As a driver, completely dependent on your navigator, you will find a team partner and friend, and a day not easily forgotten.

Rallye participants should reach the final checkpoint between 1 and 2 PM. There is a luncheon and awards presentation at the end and the event concludes by about 4 PM.

This is a NON-SPECTATOR event. All the attention is directed towards the navigators. They are the competitors. They will receive the trophies and the cheers. We do invite the media so they can report on the activity and the remarkable capabilities of these young people.

There is a \$10 Entrance Fee to help defer the costs of the event. The fee is payable the day of the event.

You will receive an entry confirmation package. This will contain a copy of General Rally Instructions and Sample Rally Instructions.

For those donating their time for this event, it is very rewarding to know that the Braille institute reports that this is their primary "fun" event promoting reading skills.

Register early! In the event that it becomes necessary to limit the number of drivers, or the number of participants from any one car club, it will be done primarily in order of receipt of registration. We hope that there will be a student for every driver, however, oftentimes students cancel the morning of the event and there are more drivers than students. We hope that you understand if you do not get a student/navigator and are asked to help in another way. We will try to make it as fair as possible
