WANTED

INNOVATIVE, THOUGHTFUL, MEMBERS WITH A LITTLE TIME TO SERVE ON THE BOARD OF GOVERNORS.

Yes it is that time again - election time. Each year half of the members of the Board of Governors must stand for election or reelection to a two year term. The terms run from December to December.

Those who serve the Club on the Board of Governors attend (usually via phone conference call) 10 meetings per year and a couple of Saturday planning meetings, which are face to face. The real commitment is not the time, not the energy but that commitment to growing and improving Cal Club for the sake of all the

members.

These are trying economic times, but the corner is in sign and we (Cal Club) have been having good success at growth while others struggle. We are well positioned for some very exciting opportunities, so now is a good time to join the Board team. Regardless of your interest, be it solo, Rally X, Road Rally, Road Racing, Worker specialty this is a good time to consider standing for election.

As you will find in our by-laws, nominations to the Cal Club Board of Governors are handled like this:

a) Nominations. (1) Any member in good standing (except honorary members) may be Nominated for the Board of Governors. A member may be nominated by petitions signed by him and 25 other members in good standing. Nominating petitions shall be submitted to the club Business Manager between October 1, and October 15 of each year.

Let's be sure to have a good crop of nominees again this year to join the outstanding board we currently have. An election will occur in November.

Nominate someone you know to be motivated to the betterment of OUR club, or better yet, nominate yourself. Note that each nominee must sign their own petition- don't nominate someone without their knowledge!
