July 2016

October 29-30, 2016
Auto Club Speedway

Who will be the Pacific Coast Road Racing Champion

A runoffs style event for ALL SCCA classes including all regional classes as well as Runoffs eligible. A classic from the past reborn! Come to Auto Club Speedway on October 29 and 30, 2016 for 2 days of hard core racing with the best of the best. Plenty of paddock space, with hookups for RV's (free of charge) lot's of garages to rent for a minimal fee of $200 for the weekend, close to major Southern CA attractions, shopping malls and great restaurants major airport and lot's of hotels near by!

Double Regional and Time Trials
Sept. 3-4, 2016
Buttonwillow Raceway

This event is not only a Double regional with points counting towards the 2016 Cal Club Championship but also points towards the Divisional path to the runoffs!. We will be using configuration 18 CCW, which has not been never been used as far as records show, so come on out and test your skills on a new track for everyone!

No competition license or race car? No worries, bring out the daily driver or that special car in the garage and get out on the track in a safe and controlled environment. Time Trials is the best way to enjoy the thrills of racing on a track without having a competition license. Invite your friends, sponsors, family out and let them experience what it is all about! A helmet and a safe car is all that is needed!!

Something for everyone. Let's crown a champion for every class. Trophies will be given to First through Third in every class, Saturday evening social

So don't miss out!!! Practice, Qualifying and a Qualifying Race on Saturday, Warm Up and Championship races on Sunday $440 for a two day entry, and $660 for two days, 2 classes

For the Sopac/Cal Club racers this is the last points race for the 2016 Championship and the FIRST Points race for the 2017 Championship

Registration will open August 15, 2016

money if you don't!

A car that cannot start on the grid may be push started under the super-vision of the Grid Marshal, provided it is back in position prior to the 1minute signal. Cars push started after the 1 minute signal, or not in position at the 1 minute signal relinquish their grid positions. They will be held behind other cars, and must start from the back of the field

In November of 1958..The California Sports Car Club enacted an edict requiring the use of rollbars. Road and Track magazine's Dean Batchelor thought this was a worthwhile ruling.

On August 12, 1961... Cal Club staged the first (and maybe last) sports car race on the half mile oval at Riverside International Raceway. Limited all race to 12 cars and no novice drivers. Practice 6:30 p.m., first race at 8 p.m.
