some heart issues! We are thinking of you and hope to see you out at the track soon.

Have you ever thought of running for office? Well here is your chance, the **Cal Club Board of Governors elections** are held each year in November and we need you! Find out more, send me an email and I will let you know what it is all about!

All our specialties need help! To put on these events it takes a lot of work and effort and our awesome Race Officials are volunteers that love racing, but we need more! If you know anyone that might be interested in getting hands on

with the racing world, the SCCA and Cal Club offers the best training, insurance and fun out there! Volunteers are given lunch, dinners, water, soda (adult beverages at the end of the day) all free! They get to be a part of the best racing out there. So if you know someone that might be interested, bring them out to your next race and we will show them around! If they are ready now, have them contact the office and I will put them in contact with the right people!
