Can you believe this is the last event before the Summer break!! Wow this year is going fast, so don't miss out on this one. Best time of the year at Buttonwillow, with the mud dried up and the heat not setting in yet should be a great two days of racing!!

**Wow!! The Warren Smith Memorial Hoosier Racing Tire SCCA Super Tour at Buttonwillow** was sure a lot of fun! Huge fields, awesome racing, perfect weather. Some cool stuff like the live radio broadcast, did you listen it was great! Thanks to all who came out. This is only a tease of what the competition and racing will be like at the National Championship Runoffs at Indy!

Seen at the last event were **Marge Binks** and **Allan Coy** who have been going through some illness, they are looking great! Please keep Pace Car Driver **Steven Lowery** in your thoughts as he goes through another bout of cancer treatment!

**Thanks to Marge Binks and John Reitman** for the Popsicle's at the last event. They sure hit the spot on those warm Buttonwillow afternoons.

**Huge thanks to all our volunteers** who endured long hours at the 43rd running of the Toyota Long Beach Grand Prix and performed flawless. The Grand Prix would not be the success it is every year if it was not for our volunteers!!!

**Cal Club's hot new Miata** is ready to roll and be shown off at local car events! Recruiting new members is hard work, join us if you can or let us know of any car events we can attend!
