Cal Club News Blast

September 2017

We are please to announce that club members John Snow and Allan Coy continue to do well recuperating from heart surgery! Hope to see them both out at the track soon

Buttonwillow Raceway Park President Les Phillips continues to work with the CA State environmental agencies to get approval to break ground of the expansion of the track! Getting closer everyday!

The 2018 Road Racing Calendar is almost complete, waiting on some track approvals. Your board of governors worked hard at trying to make it as fair as possible to ALL our drivers and race officials. We will release it as soon as it is all approved.

We want to wish KJ Christopher, our Area Director, best of luck in his new

PCRRRC
Oct. 28-29, 2017
Auto Club Speedway

The Pacific Coast Road Racing Championships will once again be held at Auto Club Speedway in Fontana, CA on Oct 28-29, 2017.

The best of the best showed up last year to get the coveted title of "Fastest in the West" Who will it be this year???

Don't miss out, awesome trophies, world class track, great Saturday night party and the best competition out there!!!

home state of Texas! KJ will finish up his term as Area Director but we will be voting for a new one. Look for emails from SCCA on candidates and how to vote.

Over 1000 entries for the 2017 Runoffs at Indy!!! Wow!! 74 drivers from SoPac and about 20 Volunteer Race Officials headed east to attend! You can follow live all week long. Visit SCCA .com for the links. Good luck to everyone and safe travels

We welcome sponsor Real Water on board. And for all your Mazda drivers don't forget the cash contingency awards for this event!!

New Referral Program for Time Trials

Cal Clubber's.... Our Time Trials Program has been so successful to date, we explored ideas on how to even get more people involved. The solution was the new Cal Club Time Trials Referral Program. Very simply, if you refer someone you get 25% off your event entry and the referred person gets 25 % off their TT entry. And we know you Volunteer Workers have friends that may be interested in trying their hand at on-track, at-speed driving, thus If a worker refers someone to TT, that Volunteer Worker gets 10 points or 2 worker chips. It's win-win for everyone, as Cal Club's Time Trials Program, under the guidance of Jim Cuyle, has proven to provide some of the most cost efficient track time, along with great hands-on instruction for those not quite ready to step up to the wheel-to-wheel racing environment. Invite that neighbor whom always wants to talk cars with you to join us at an upcoming Time Trials event...
