

# Race Chair Notes:

West Coast Hoosier Tire Super Tour Stop #1 – Willow Springs March 11-12

So is everyone ready for Hoosier Tire Super Tour Race Weekend #1 for the Western half of the Sports Car Club of America for 2017????

Thanks much for those that helped make the Auto Club Speedway race outstanding. With 210-ish entries, it was a great event for all. Now we move on to historic Willow Springs International Raceway in Rosamond California. We listened to comments made at Auto Club with regards to groupings and hopefully we made the needed changes to enable fast, competitive, and safe racing!

As Race Chairman, my job is to help you achieve the goal of having an excellent weekend. I'll be wearing a bright-green Race Chairman shirt and should be scooting around in a Golf Cart (adorned with the "Race Chair"). Again, I am here to make your weekend the best it can be.

⇒ **General info:**

Track address:  
3500 75th Street West  
Rosamond, CA 93560  
phone: 661-256-6666

⇒ The most critical piece of information to pass on to you is a reminder that:

**Willow Springs Raceway charges \$10 fee per person at the gate. This is Track (Willow Springs) income** and is not included in your entry fee. Note, they will give you an arm band, but **you will still need to go into SCCA/Cal Club Registration** to receive an SCCA Event Armband and sign the SCCA insurance waiver.

⇒ **Gates at Willow Springs Raceway** will be open from 6:30 am to 10:00 pm starting Thursday. Note – they are **NOT open 24hrs/day**. Please be aware of the close time and *don't get yourself locked in/out* unless you have a warm place to sleep at the track!

⇒ **Parking.** There are no real parking constraints at Willow Springs other than, in the interest of safety and visibility, **there is NO paddocking along the pit wall** (the entire pit wall from Turn 9 to Turn 1). Thanks for helping keep this area clear. There is NO access to Electrical Power so be prepared if needed. There are some roadway limits in the area behind the snack bar so pay attention to the painted lines if choosing to Paddock there.

⇒ Willow Springs does have limited **Garages**. Please call the Track to check on availability and possible rental (661-256-6666)

⇒ **Friday Test Day:** Willow Springs will be holding a Track run Test Day on Friday. Call the Track for details (phone: 661-256-6666). Note – the Track runs the day and provides the workers and tow/emergency crews. They have no affiliation with SCCA/Cal Club.

- ⇒ Ceci and Penny will have **Registration** set up in the room on the ground floor of the Building accomodating Timing and Scoring. This building is basically 2 to the right of the tire shop (toward Turn 1). It has a large outdoor balcony attached. Note, this is not the Race Control Building which is attached to the Snack Bar. PLEASE, everyone needs to come in and **get an arm band** and sign waivers (as required).
  - **Registration hours:**

- ⇒ **GEAR TECH:** Reminder that unlike your car, which is one year from the last annual tech (it could be from July to July as an example), Gear must be teched at your first event each year! So if you did not go to Auto Club Speedway, all your Gear will need to be teched. Also the 2017 Helmet Stickers are necessary. On January 1, GCR has defined that helmets need to be Snell Helmets 2010 or newer. 2005 will no longer be accepted.
- ⇒ Those new with us, **Tech** will be in it's usual spot, along the pit wall, between the Hartman garage and Turn 9. You will see the Tech Team trailer and Chuck Knox and Team will be there to help starting Friday at 3:00 pm and opening Saturday and Sunday at 7:00 AM
- ⇒ **Impound** – We will have mandatory Impound after each Qualifying and Race Session. NOTE – the Super Tour Race Director will have a **MEETING after the Saturday Qualifying Session** in the Tech area.
- ⇒ Again those new with us, the **Grid** area in the area between the Snack Bar and the Tire Shop along the hot pit wall. You enter the grid area by the Tire Shop. This section of the paddock and grid entry is ONE WAY only. NOTE – this area is **CLOSED to non-race session traffic**. Please do not drive through this area in anything unless heading to grid for your session.
- ⇒ **Timing and Scoring** is an important destination for many. T&S is located on the 2<sup>nd</sup> floor above Registration. This building is basically 2 to the right of the tire shop (and directly across from the Starter's Stand). It has a large outdoor balcony attached. Here you can get timing sheets, etc. throughout the weekend.
  - ⇒ Drivers please **check all information** on the Qualifying sheets and go to Timing and Scoring with any changes necessary before racing!
- ⇒ Those needing to set up a **timing light**, you can carefully position them on the front straight with in the GCR limits of the Starter's Stand. Be careful crossing pit lane and if you must, do that between sessions at the direction of the Starter.

# Willow Spring written Driver Meeting March 11-12

Welcome and thank you for entering the Super Tour at Willow Spring sponsored by Hoosier Tire. This letter will be a lot like my face-to-face drivers meetings, short and to the point. And which will be held directly after your first qualifying session.

**I have no desire to waste your time with stuff you don't care about, so come ready to race with a GCR complaint car, drive like the top notch driver you are. I ask only that you maintain situational awareness at all times by obeying the track rules, while you're on the track watch the cars around you, the flags at the corners, and try not to get in the middle of someone else's race. You wouldn't like it if it happened to you.**

*There will be a drivers meeting immediately after your first qualifying session.* Tech will be checking some things on your cars also, so the sooner you get across the scales and into impound area for checking the sooner we can cover the few things we need and get you back in the paddock getting ready to race.
