Such limitation shall not be deemed to prevent any member or officer from expressing, joining, or campaigning with regard to political matters in his individual capacity, or indicating his capacity with the Corporation during such activity; provided, however, that Club facilities shall not be used for such purposes and the member or officer makes clear that such activity is not authorized by nor representative of the views of the Corporation.

(b) The property, assets, and income of the Corporation are dedicated to its purposes. No part of the profits or net earnings of the Corporation shall inure to the benefit of its Governors, officers or members or to the benefit of any private individual.

ARTICLE III MEMBERSHIP

Section 1. CLASSES OF MEMBERS. There are five classes of members: Regular, Associate, Family, Life, and Honorary Life.

(a) VOTING MEMBERS, EQUAL VOTING RIGHTS. Regular, Family, Life, and Associate members (“Voting Members”) have equal voting rights. Such members do not vote by class.

(b) RIGHTS AND PRIVILEGES. Except as set forth in these Bylaws, the rights, requirements and privileges relating to each class of membership, other than voting rights, may be modified from time to time by the Board so as to further the purposes of the Club. Life members are members who have served full terms as past Governors of the Corporation, who are current in their membership dues to SCCA, and who by reason of such service shall automatically become life members and shall no longer be obligated to pay Cal Club annual dues.

(c) NEW MEMBERSHIP CLASSES. The Board may establish, authorize or abolish new classes of membership, and establish the voting rights of the members of each class and the applicable dues, fees and other charges for each; provided, however, that the voting rights of any new class shall be set forth in an amendment to, or restatement of, the Bylaws; and provided, further, that the voting rights of any new class of membership shall be approved by the then existing membership in accordance with applicable law and the Bylaws including, without limitation, the provisions of Article X (amendment).

Section 2. ELIGIBILITY. All persons interested in furthering the purposes of the Club shall be eligible for membership in the Club.

(a) SCCA. Voting Members in the Club shall be restricted to individuals who are members of the Sports Car Club of America, Inc. (“SCCA”) and their Family members. Family members of the Club must also have individual or family membership in SCCA. If SCCA shall no longer exist, the Board shall continue this eligibility requirement with any successor or assign to the extent permissible, and if no such successor or assign shall exist, then the Board may establish a dual membership eligibility requirement with any similar racing organization

under such terms and conditions that it deems will further the purposes of the Corporation and which are not otherwise in conflict with the Articles of Incorporation, Bylaws and applicable law.

Section 3. GOOD STANDING/RIGHTS AND PRIVILEGES OF MEMBERS.

(a) Voting Members shall be in good standing if they have paid dues applicable to their respective membership, met the other requirements set forth in these Bylaws or as may from time to time be established by the Board, are not suspended, have not been terminated, and their membership is not expired.

Honorary Life members shall be entitled to attend and speak at meetings of the membership and upon invitation at meetings of the Board of Governors. Honorary Life memberships shall not expire unless the Board shall specify a lesser duration. Subject to the next sentence, Honorary Life members may receive such other courtesies as the Board may deem appropriate. Honorary Life members shall not be entitled to vote as Club members nor be elected to the Board of Governors by virtue of such Honorary membership; provided however that such members may serve and vote for informational purposes on the Audit Committee describe in Article V, Section 10(a)(ii) and vote on advisory committees described in Article V, Section (10(b), if so authorized by the Board."

(e) Memberships may terminate or expire on such term or conditions applicable to a class as the Board may determine or as provided in the Bylaws. Memberships are not transferable from one person to another and shall expire at the end of their stated term or life.

Section 4. TERMINATION, SUSPENSION AND EXPULSION OF MEMBER.

(a) A member in default in the payment of dues or other fees shall be deemed to have terminated his membership and shall thereupon lose his membership privileges. Payment of the fees or dues in default shall reinstate an otherwise qualified member as of the date full payment is received in good funds. A default in the payment of dues or fees shall not be subject to the procedures set forth in Article III, Section 4(c). Any

determination of such payment failure or default by the appropriate officer of the Corporation is final.

(b) A member may be suspended or expelled for good cause raised by a Governor, officer or member of the Club. The charging party shall provide a written statement setting forth the cause or reasons raised by such member or officer for the proposed suspension or expulsion.

(i) If the cause relates to the safety of Club members or guests, the Regional Executive may summarily suspend the member upon reviewing the cause presented and making such inquiries as the Regional Executive in his sole discretion deems appropriate. Any such summary suspension shall not prejudice the member's right to fair procedure under the following subsections.

(c) The Board shall provide the member subject to suspension or expulsion with not less than fifteen (15) nor more than (60) days advance notice of the date on which the Board or a designated committee of not less than three (3) of the Governors will hear the cause or reasons related to such suspension or expulsion. The member must reply within seven (7) days of the date the notice is given that the member is contesting the cause, and the member shall be given the opportunity to be heard at least five days before any suspension is effective, other than a summary suspension made in the interest of safety under Article III, Section 4(b)(i). In the case of summary suspension under Article III, Section 4(b)(i), upon a member's written request, the Board shall make reasonable efforts to expedite such hearing. A member's failure to timely contest the cause or to appear at a scheduled hearing shall result in suspension or expulsion as determined by the Board without the need for additional hearing. The Board or Committee may adjourn and continue any hearing to a date certain or to a reasonable but not then specified date, if no decision can be rendered within the time available. The Board or Committee shall make its decision known within a reasonable time of the hearing, and if suspension is warranted shall set forth the period of suspension, after which period the member may reapply for membership without prejudice. A suspended member may not vote, hold office, attend or participate in events and affairs of the club, nor exercise any other right or privilege of membership unless the terms of the suspension expressly provide otherwise. In the case of expulsion, the expelled member shall not be entitled to reapply for membership and all rights and privileges or membership shall be revoked. Expulsion or suspension shall not entitle the party to a refund of Club dues or fees paid.

(i) No member shall be entitled to counsel as a right at any such hearing or permitted appeal. The member may contest the cause in person, by written presentation, or by both, and may additionally present witnesses, examine and present evidence, and be permitted to ask questions of those presenting evidence or charges at the hearing.

(ii) The committee or the full Board, as the case may be, shall act in good faith and in a fair and reasonable manner and shall make a determination regarding the suspension or expulsion by a vote of 2/3 of those present at the hearing. The hearing body may

control its procedures and hear evidence or testimony from the member or others who may have knowledge. No legal rules of evidence or specified procedure shall otherwise be required. The guiding principle shall be a fair opportunity for the member to know the nature of the cause against him, to examine the evidence, and to present, question and respond to the cause and evidence presented.

(iii) If requested by the member at the inception of the hearing, the Board shall set forth its findings and the reasons for any expulsion or suspension in writing.

Section 5. APPEAL. If the hearing is held by a committee of the Board, a member who is suspended or expelled, may appeal such suspension or expulsion to the full Board before the next meeting (regular or special) of the Board in writing stating the grounds which the previous decision was erroneous. If the appeal is accepted by the Board the member may appear before the full Board within a reasonable time designated by the Board to make argument concerning such reasons, but shall not have the right to present additional evidence. No Governor shall be disqualified from participating or voting either in committee or on the Board by reason of having been a witness or participant in events or circumstances leading to the charge or action of suspension or expulsion, or by having participated in any previous committee vote on the suspension or expulsion. Any court action challenging an expulsion of a member, suspension or termination of membership including a claim alleging defective notice must be commenced within one (1) year of the expulsion, suspension or termination.

Section 15. FEES AND COMPENSATION. Governors shall not receive any salary or fee for their services as Governors, but nothing herein contained shall be construed to preclude any Governor from serving the Club as an officer other than Regional Executive (prohibited under Article VII, Section 4(a), agent, employee, contractor or other service provider, and receiving

compensation therefore; provided that such compensation is authorized in accordance with Article V, Section 5(c) (financial interest), and is fair and reasonable. A Governor may also receive, a reasonable expense reimbursement, in the form of a per diem or mileage, as authorized by the Board.

ARTICLE VI

ELECTION OF GOVERNORS

Section 1. NOMINATION. Voting Members in good standing may be nominated for the Board. Honorary members may not be nominated or elected to the Board; but, if authorized by the Board, may cast votes on the committees of the Board as authorized under Article V, Section 10(a)(ii) (Audit Committee), Article V, Section 10(b) (advisory boards).

(a) A Voting Member may be nominated as Governor by petitions signed by himself and 25 other members in good standing. Nominating petitions shall be submitted to the Club manager or Board designee between October 1, and October 15 of each year.

(b) Prior to October 15, the Board shall appoint one of their number to serve on and form a Nominating Committee including such Governor, and if no such Governor shall have been appointed in timely fashion, then the Regional Executive, or Chair (depending on whether the Regional Executive is a Governor) shall serve on and form the Nominating Committee if required.

(c) If a sufficient number of petitions from qualified candidates are not received by the Board designee by October 15, four (4) additional members who are not Governors shall be appointed to the Nominating Committee by the Governor forming the Nominating Committee.

(d) The Nominating Committee shall, by October 31 in each year, submit to the Club manager or Board designee the names of a sufficient number of Voting Members in good standing who are qualified and willing to be candidates and serve as Governors for the ensuing term to fill all upcoming vacancies on the Board; provided, however, that the total number of nominees named by the Executive Committee shall not exceed the existing number of vacancies plus one more nominee. Members of the Nominating Committee shall not be prohibited from becoming candidates for Governor by reason of having served on the Nominating Committee.

Section 2. BALLOTING AND ELECTION OF GOVERNORS. Written balloting is authorized as a method for the election of Governors.

(a) The ballot shall list candidates in alphabetical order and incumbent Governors shall be so identified. All written ballots shall also indicate the number of responses needed to meet the quorum requirement for the passage of any matter (except for ballots soliciting votes for the election of Governors), and shall state the percentage of approvals necessary to pass any other measure submitted. The ballots must specify the time by which

they must be received by the Corporation in order to be counted. Only Voting Members in good standing as of the record date, or October 30 if the Board does not designate a record date, in any given year, may vote for the election of Governors.

(b) Subject to the provision of Article IV, Section 6 (record date), on or before November 10th in each year, the Secretary or other Board designee shall cause a written form of ballot to be mailed to each Voting Member in good standing. The ballot shall contain the names of the candidates for the Board nominated by the membership and/or the Nominating Committee.

(c) Each such ballot must be returned on or before December 1st to an independent counting organization designated by the Board in the ballot. If the ballot is not timely received, it will not be eligible for counting.

(d) To be counted, each returned ballot must contain the printed name of the Voting Member, a signed or facsimile of the usual signature of the Voting Member certifying the Voting Member's SCCA membership number and that he or she is a Regular, Associate Family, or Life member in good standing of the Club.

(e) Each Voting Member shall have one vote to cast for each vacancy to be filled and shall cast only one vote for each candidate. As provided by Article IV, Section 9, a Voting Member may not cumulate the member's votes in favor of a particular candidate or candidates or give another member a proxy. A Voting Member may abstain from voting for any of the candidates and such abstention shall not affect the remaining votes of the member. Approval of other actions by written ballot shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the action at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

Section 3. CERTIFICATION OF ELECTION. As soon as practicable after December 1st of each year, the designated counting organization shall count the votes timely received as of December 1st by the counting organization and deliver the results to the Board's designee or to the Board if no designee is set forth.

(a) The candidates receiving the highest number of votes shall be elected to the vacancies as Governors. The Secretary or other Board designee shall notify the candidates and members of the results of the count as soon as possible.

(b) If no Voting Member shall protest the election in writing directed to the Secretary or to all of the Governors setting forth the grounds of protest within 15 days of the notification under subsection (a), immediately above, the Board shall promptly certify the election results and the installation of the elected Governors shall take place as of the first business day of the next calendar year.

Section 4. PROTEST. Any Voting Member or candidate may protest the election. Protest must be received by the Secretary or Regional Executive prior to the installation of the elected Governors in the new year and state the grounds as then known or believed for the protest. If the election is protested, the existing Governors not standing for election may consult the protesting party, the candidates and others of their choosing and shall determine by majority if there is reasonable cause to believe that the balloting may be materially inaccurate on the grounds stated in the protest or that the ballots have otherwise been incorrectly counted. Upon such determination, the ballots shall be recounted by an independent accounting firm chosen by the counting organization, or if the protest shall involve the counting organization, then the Governors not standing for election shall select by majority an experienced counting organization unaffiliated with the previous organization to recount the results. Each candidate may designate a representative to observe the recount. Such Governors may, if they deem it relevant to the accuracy of the initial count, authorize the new organization to contact all or a sample of members as to the accuracy or completeness of the matters set forth in Article VI, Section 2(d) that might affect the validity of the vote. But no vote shall be permitted to be changed but only counted or not counted by reason of such contact. The Club Secretary shall notify the candidates and members of the results of the recount as soon as possible, which recount shall be deemed final. The Board shall promptly certify the results of the ballot recount and the installation of the elected Governors shall take place as of the first business day of the year following the Board certification or as soon thereafter as is practical.

(a) The counting organization responsible for the final result shall dispose of the ballots after such certification unless a protest has been filed. If a protest has been filed the Board shall authorize the retention and safekeeping of the ballots for one calendar year from the date of the election after which, in the absence of a court order preventing destruction, the ballots may be destroyed.

Section 5. ELECTRONIC ALTERNATIVES TO MEMBER NOMINATING, VOTING, BALLOTING, MEETING PARTICIPATION, AND NOTICE BY MEMBERS AND GOVERNORS.

(b) GOVERNORS. If so authorized by the Board, telephonic and video meeting and electronic transmission methods may in form and substance be applied to the meetings, actions and votes of the Governors and related notices, consents or waivers, as permitted under Code Sections 20 and 21, and Article XI of these Bylaws, if not otherwise prohibited by law, without appointment of any committee of the type contemplated in Section 5(a), immediately above.
