

ITE Rules
California Sports Car Club
Revised July 5, 2006

ITE – Improved Touring E

The Only IT rules that apply to ITE are those listed below:

- 1) Any tub chassis production vehicle running with DOT tires.
- 2) Preparation Rules: International Sedans may modify the floor pan/rocker panel sections.
- 3) Cars must meet the Showroom Stock or IT safety requirements of the current General Competition Regulations.
