

## 2016 SoPac Divisional Path to the Runoffs

Driver must participate in 4 weekends **and finish 7 races** and finish in the top 3 of their class to qualify for the Runoffs. (Participation is defined as turning a wheel on the racing surface during a weekend, finishing is defined as completing 50% of the laps of a sanctioned race.)

**All SoPac Racing events** will count towards the Divisional Path to the Runoffs A driver may only count his top seven finishes Points will be the same as the Majors Points system.
